Dear Mr. Morin:

**Re: Working Group on Leniency Programmes of the
International Bar Association's Antitrust Committee**

The Working Group on Leniency Programmes of the International Bar Association's Antitrust Committee ("IBA") has prepared detailed comments in response to the Competition Bureau's revised consultation document on the Draft Information Bulletin on Sentencing and Leniency in Cartel Cases that was published by the Bureau on March 25, 2009. On behalf of the IBA Antitrust Committee, I am pleased to submit for your consideration the attached commentary on the consultation document. The Co-chairs of the Working Group and Officers of the Antitrust Committee of the IBA would be pleased to discuss the enclosed submission in more detail, should that be of interest.

The Antitrust Committee commends the Competition Bureau on its approach to consulting stakeholders on this important issue of cartel enforcement policy and hopes that our comments will be of assistance.

Yours truly,

Inigo Igartua
Co-Chair Antitrust Committee - IBA
