Dear Mr. Qureshi:

**Re: Response of the Public Interest Advocacy Centre to the
Draft Information Bulletin on the Abuse of Dominance
Provisions As Applied to the Telecommunications Industry**

On September 26, 2006, the Competition Bureau issued a draft Bulletin for public comment that describes its proposed approach to reviewing abuse of dominance complaints in deregulated telecommunications markets. The Bulletin is intended to supplement the Bureau's Enforcement Guidelines on the Abuse of Dominance Provisions, which provide general guidance on its approach to abuse of dominance.

Interested parties are invited to provide comments and/or suggestions on this draft Bulletin by January 12, 2007. The Public Interest Advocacy Centre submits the attached comments for consideration by the Competition Bureau. We would be pleased to provide any further comment or information that Bureau may consider useful or necessary upon request.

Yours truly,

[original signed]
